

SOUTHBURY POLICE ASSOCIATION

“Protecting and Serving the Community”

April 26, 2021

Dear Southbury Resident,

The members of the Southbury Police Association are looking for your support. Our community has suffered just as many other small town communities have due to the crippling effects of the Covid-19 Pandemic. It is with your support and donation that the Southbury Police Association can be proactive and make a true difference within our community. Each year, the Southbury Police Association sponsors and donates to numerous youth and community programs; such as Southbury Needy Fund, Southbury Fuel Bank, Southbury Food Bank, youth sports, Halloween safety programs, Scholarships to Pomperaug High School Graduates and various donations for other local charities.

Over the past decade, with your support the Southbury Police Association has donated tens of thousands of dollars and thousands of man-hours to serve charitable interests in Southbury. Our goal is to provide safe, memorable, fun and educational events for your community. With your support and generous donations we shall continue to engage with our community and provide these important programs for the people we proudly serve.

Please note that the Southbury Police Association does not use paid professional fund-raisers for solicitation. 100% of your donations go directly to the Southbury Police Association and are in turn distributed by our members to various charities and community needs. Please make your contributions payable to the "Southbury Police Association".

Please mail your support donation using the enclosed envelope to:

Southbury Police Association
421 Main Street South
Southbury, CT 06488

Thank You for Your Continued Support.
